

Search and Rescue Team Members

Bridgetown State Emergency Service (SES)

Bridgetown SES are a team of dedicated volunteers who respond to natural hazards such as storms, floods, cyclones, and earthquakes, and assist with land searches, vertical rescue, flood boat rescue and fire ground logistical support.

If you are interested in meeting new people, learning new skills and supporting your community or are looking to apply existing skills and knowledge in a challenging new environment then we would love to hear from you!

KEY TASKS (will vary depending on role)

- Land searches.
- Storm Damage assistance.
